

THE VILLAGE

Wedding Brochure

2026 - 2027

Hello,

We're Becca and Ben, and we are delighted you have found your way to The Village.

Our vision for this landscape was born out of a deep love for the outdoors. We set out to create a sustainable, community-focused venue, a truly down-to-earth space where couples can strip away the stress and celebrate in a way that feels completely authentic to them.

The Village is designed to be explored and experienced. From the peaceful, natural surroundings of The Grove with its beautiful wicker arch, to the alternative, open-air vantage point of The Rise, the landscape is yours to shape. We love seeing our couples and their guests mingle with a botanical drink at The Woodland Bar, share a long-table feast inside The Marquee, and eventually wind down with deep conversations around the glowing fire of The Hollow. We also hope you'll visit The Wishing Tree, our living guest book, to leave a lasting memory of your time here.

Please feel free to make yourselves entirely at home, breathe in the fresh air, and let the magic of the woodland take over. We are so honored to welcome you into the growing Thoulstone story.

Warmly,
Becca & Ben
